## PIECE OF NATURE RANGE

The Piece of Nature range offers a selection of natural decorative particles—petals, leaves, and flowers—sourced from trusted growers worldwide. Harvested with precision and hand-sorted for quality, these particles maintain their vibrant colours and purity. Produced under strict quality controls in line with ISO 2859-1 standards, the range is 100% natural and COSMOS compliant. Ideal for enhancing high-end cosmetic formulations, these particles add a visually striking, eco-friendly touch to your products.

## PROPERTIES

Piece of Nature – Amaranth showcases the striking light red flowers of *Gomphrena globosa*. Known for their vibrant colour and long-lasting beauty, these amaranth flowers add a unique decorative element to cosmetic formulations. The flowers are meticulously selected and preserved to maintain their vivid colour and integrity, making them perfect for enhancing the visual appeal of oils, gels, and creams. Amaranth is especially suited for oil-based formulations, where it remains suspended beautifully, providing a natural, eye-catching accent that elevates the overall aesthetic of your products.
