Ideal for enhancing high-end cosmetic formulations, these particles add a visually striking, eco-friendly touch to your products.

PROPERTIES

Piece of Nature – Pink Helichrysum features the vibrant pink petals of the *Xerochrysum bracteatum* flower, sourced from the Netherlands. These petals are known for their intense colour and distinctive shape, adding a touch of glamour and elegance to cosmetic formulations. The petals are carefully dried and preserved to retain their bold hue and delicate texture, making them perfect for enhancing the visual appeal of makeup, skincare, and body care products. Best suited for anhydrous formulations, Pink Helichrysum petals bring a natural, luxurious aesthetic to your products, ensuring they stand out with their striking botanical beauty.
