PROPERTIES

Piece of Nature – White Helichrysum showcases the delicate, pearly white petals of the *Xerochrysum bracteatum* flower, meticulously sourced from the Netherlands. Known for its bright, crisp appearance, White Helichrysum adds a sophisticated and natural elegance to cosmetic formulations. These petals are carefully preserved to maintain their pristine colour and texture, making them ideal for enhancing the visual and sensory appeal of high-end skincare products. Compatible with both water and oil-based formulations, White Helichrysum offers versatility, ensuring that your products not only perform beautifully but also captivate with their natural botanical charm.
